

Because our business is based on relationships, we have a strong sense of community. To that end, we are active members in organizations that are based in and around our expertise as well as the industries in which we work. We attend, sponsor and participate in conferences, meetings, seminars, continuing education courses and other special events.

Listed below are organizations in which J. Joseph Consulting is an active member.

Certified Commercial Investment Managers
Institute for Professionals in Taxation
International Association of Assessing Officers
International Energy Credit Association
National Association of Steel Pipe Distributors
National Grain and Feed Association
